The proposed SPA allows the City to annex the area for limited purposes of planning and zoning which will extend City regulatory authority regarding development, construction, land use, environmental quality, and the collection of sales and use taxes to the area. Full purpose annexation will be deferred until the earlier of (i) December 31, 2035, or (ii) upon the completion and issuance of District bonds for 100% of utility infrastructure by the District pursuant to a Consent Agreement between the City and District. The terms of the SPA were substantially negotiated during Consent Agreement negotiations and the draft SPA was attached to the Consent Agreement approved by Council on May 19, 2005.
